OAHI 2009 SEMINAR

The best value in continuing education
February 21, 2009 we inspected 3 older residences

THANK YOU FOR COMING!!!!

Hanging out at one house!!!

Everyone is listening and learning!! You all look engaged!!

Susan Walker looking on!

Lane Smith doing his thing!!

In discussion!

Happy Charlie and friends!

**“I do not believe we have the camaraderie of your chapter, but so it goes.”
Lowell Marcus, Seattle, WA.**

“That was a great format. Thanks to all for putting it together and making it so organized. I wish we could have stayed to the end.” Alan Bennett, WA.

“Thank you for putting on that most excellent seminar.” Jay Marlette, CA.

Was the seminar useful? EVERYONE wrote YES!!!

One person wrote: “This format provided an opportunity to interact like never before. “

What was the best part?

Last 2 hours, Excellent houses and location of meeting hall, idea exchange, The “in-house” review with other inspectors that looked at the house, Discussing issues with many inspectors, Different views, Working with many other inspectors and learning from them, Tool time, All the input from everyone, Fellow inspectors, Discussion time, Inspection field/work, Hands on inspections with review and fellowship, The onsite and slick show at the houses, Other inspector feedback and how they would report conditions, Having the inspection review at the house

Thank you for all your feedback!!!!
